At the Democratic Mass Convention held Saturday in the Opera Hall, Churles Brock, of Middletown, was chosen Chairman and Harry E. Campbell Secretary and S. B. Dunn assistant. A committee was appointed from each ward and the whole, which reported "that it was the sense of the convention that the mode heretofore adopted for nominating condidates was the best and most efficient, and recommended the Central Committee to call an early convention."

to call an early convention."

The following letter was read from Mr. Job E. Owens:

HAMILTON, Feb. 22d, 1879.

To the Democracy of Butier County:

For more than twenty years 1 have not missed a State or county convention of the Democracy, but am now, and have been for nearly five weeks unable to leave my house. I can not attend this convention. I desire to say t, the convention that as my name has been used in connection with the County Treasure ship, a nomination to be held in April would shut me out of the race, but a late nomination would give me a chance to compete for t e office. I am therefore in favor of a late nominating convention. Yours respectfully,

JOS E. OWENS.

The Alice, en route from "t. Louis to Fittsburg, "t is up Licking River discharging 500 tons iron ore at Swift's Rolling-mills. Thos. McDonald and J. Sharp Parker will be her pilo s from here.

The current of recent events has given great impetus to business in Walnut street, at \$1.75@4.25, and good to choice at \$4.25@5 per cental gross. and many successful turns are reported where immense profits are made in short periods. The most successful way that we have heard of yet for operating in stocks is by the Combination Method of Mesers. Lawrence & Co., Bankers, New York. By this system thousands of orders in various sums are pooled into one vast capital and operated under the most experienced and skillful management, thus securing to each shareholder superior advantages and profits, not possible in any other way. Profits are paid at end of thirty days. J. Jones, of Bos on made \$747 30 on an investment of \$100. Many others are doing as well or bet-ter. Capital in any amount from \$10 to \$100,000 can be used with equal proportionate success by this Combination or Co-operative Method. \$15 would make \$75, or 5 per cent. on the stock; \$100 would return \$900, or 9 per cent. during the month, and so on, according to the market. The new circular contains "two unerring rules for success" and full of information, so that any one can operate with profit. Stocks and bonds wanted. Deposits received. Government bonds supplied. Apply to Lawrence & Co., Bankers, 57 Exchange Place, York City.

CINCINNATI DAILI MARKET.
